

Kiara Mulholland

# My World

# Moodboard/Ideas

1. Shot from the window
2. fishes swimming with person in background.
3. of character under bed or main view

Narrative → Room full of water with fishes and seaweed floating about. Representing anxiety and how it can feel like drowning.

OP Moodboard  
& Sketch

I want to make a 3D model of a small fish pond with seaweed growing out of it into flowers and surrounded by cobble stone with pieces falling out. With little fishes  
☺ ♡
